## *Phi Alpha Pi*

### Book Club Discussion Guide

- Phi Alpha Pi takes place in a university sorority. What do you know or think about sororities, from experience or pop culture? How did Phi Alpha Pi compare?
- How are the characters in Phi Alpha Pi different from the well-known and loved characters in *Pride & Prejudice*?
- Wil and Lizbeth bond while looking at art at the Met museum in New York. What type of art interests you?
- Jorge takes advantage of both Mrs. C and Lydia to steal the sorority's money. Has anyone ever manipulated or hurt you for nefarious reasons?
- In Phi Alpha Pi, Lydia regrets what happened but in the original, after marrying Wickham, she is more insufferable than ever. Did you like one resolution more than the other? Why?
- Lizbeth sits in Paris and wishes Wil was with her. What place in the world would you like to visit with the person you love?
- In Phi Alpha Pi, Lizbeth is lured into Wil's library-like bedroom which seems to soften her feelings about him. In the original, it was his entire estate. What could someone put in their house that might make you reconsider how you feel about them, for good or bad?
